

CSG is an award-winning design and build firm that specializes in rooftop gardens. Our company vision is to be the premier full-service urban garden design/build firm in Chicago, and to operate with integrity and respect toward our employees, clients, suppliers and the natural environment. We are expanding our team and looking for a hardworking, self-motivated individual, who prioritizes attention to detail and quality control.

Job Title: Seasonal Landscape Technician

Job Description:

The seasonal maintenance technician will aid in the care and upkeep of CSG's client's landscapes and rooftop gardens. They will coordinate with the Lead Landscape Technician and crew members throughout the season to provide a high level of professional services.

Responsibilities:

- General Landscaping: light pruning, blowing out and collecting leaves and debris, refreshing mulch, fertilizing, etc.
- Power washing & oiling/staining of wood elements
- Assistance with annual installations

- Startup programming and on-going monitoring of micro-irrigation systems
- Monitoring and adjustment, replacement, additions, or programming of low-voltage lighting systems
- Setup/takedown of client furniture covers, shade panels, umbrellas, etc.
- Planting: Small trees and perennials
- Care for client's home and properties

Requirements:

- Communicates well with all crew members, supervisor and client
- Must be punctual
- Strives to improve job skills and develop the potential for upward mobility
- Must be able to comfortably lift 50 lbs.
- Driver's License and knowledge of the Chicago/North Side is a plus
- Maintains clean and safe job site and vehicle
- At least part time availability (25 HR minimum)

Wages \$18-\$20. Final offer based on industry experience and knowledge. Benefits also available (insurance, cell phone, disability, 401k, holiday bonus etc.)

Start: ASAP

Season is roughly from Mid-March to Christmas
